

LOUIS MYERS' GLOVES.

## EASTER FASHIONS

EASTER GLOVES.

Style involves many things. The artistic line of the garment, the harmonious trimming scheme, the adaptability of the chosen fabric to the wearer, the novelty of the color—all these points are carefully considered by us in every garment selected.

**Cloth Suits** in many shades and colors and varying patterns, from the small broken check to the stripe with the hair line running in cross sections. The open but firm Panama weaves, Cheviots and lighter weight Broadcloths predominate, and in style the Eton Jacket, with full skirt cut either circular, pleated or in combination, prevail. Such values we are showing at \$10.00, \$12.50, \$15.00 and up to \$32.50 will interest you.

**Long Coats** are proper according to the standard of Fashion today. To have the graceful lines and convey the suggestion of a perfect figure beneath—to cover and protect, still not conceal the lines of nature—is the idea in these outer garments. Special values at \$5.00, \$6.50, \$8.87, \$10.00, \$12.50 and \$15.00.

**The Separate Skirt** has come to stay—and, indeed, why not? It is graceful, useful and has lines of beauty that were formerly not attempted in anything but the highest priced creations. Here is big range of prices—\$1.98 to \$15.00. A big assortment.

**The Rain Coats** are the most practical of all outer garments. That they are becoming more popular every year is shown by the fact that last season we sold more Rain Coats than any other season in our history. An especially strong number is one at \$8.75. Other styles in stock at all prices.
